She has worked in Michigan, Ohio, North Carolina and Finland.

## Trenching Overview - A Focus Four Imperative

**1:00 – 3:00 p.m.**  
7.15.2019

Trenching poses some of the most severe hazards in the construction industry and sadly, trench failure is a leading cause of an increasing number of fatalities. Sign up to learn more on how to identify risk factors related to trenching and excavation sites. (0.2 IACET CEU)

- To receive optional credit, provide a BWC policy number during registration.
- When your registration is complete, you'll receive a confirmation email with instructions for joining the webinar. You can go to the session start-up page anytime, to log in and download materials in advance of the July 15 webinar at 1:00 p.m.
